An evening for Merrymount Family Support & Crisis Centre

Every day, thousands of Londoners are in crisis, and are at risk of losing their family. Merrymount helps those families stay together. 24 hours a day, Merrymount is here for our community, and has been for 142 years. Every night, 18 beds at the centre are full with children who need a safe place to sleep, a warm meal, and happy place to play.

Because every family deserves a chance.
